## CE Accreditation Process | Impact of new process

Due to a significant change in the way CE Credits are issued, we may not be able to confirm CE Credits for seminars before they occur. We are targeting 1.0 CE Credit for every one hour of program content that we deliver and will update the event listing on our website to include the number of CE Credits as soon as we have received accreditation. Once CE Credits have been issued, CE Certificates will be available on-line for printing by logging in to the members only section at [www.advocis.ca](http://www.advocis.ca).

For complete information on how accreditation is assigned, please go to: <http://www.iafe.ca/accreditation.html>
